

Declaration:

By submitting this abstract, I

(insert name of corresponding author)

hereby confirm that:

- That appropriate ethical approval has been obtained and that written informed consent has been obtained from research subjects, and written consent for publication from patients for case reports. *(It is not necessary to state this in the abstract, but it **must** be stated during oral presentation/included on the poster).*
- That any commercial interests or conflicts of interest regarding the abstract have been declared explicitly *(please give details where necessary).*
